

Read The Wize Way!

Partnered with Reading Eggs

Ages 4–13

Welcome to a Reading Journey That Grows with Your Child

At **LanguageWize**, we believe that every child deserves the chance to become a confident, happy reader — whether they're learning English as a first, second, or foreign language.

That's why we've partnered with **Reading Eggs**, a trusted, evidence-based online reading platform that supports children from their first letter sounds through to fluent reading and strong comprehension.

This isn't just a reading course. It's a carefully guided learning journey, led by experienced educators, shaped by each child's pace and potential, and delivered **entirely online** — so your child can grow as a reader from the comfort of home.

What Makes Our Reading Course Unique?

♣ Research-Based and Child-Focused

Reading Eggs is based on scientific research into how children learn to read. It combines phonics, sight words, comprehension, and vocabulary in a balanced and engaging way.

♣ Suitable for All Readers

Whether your child is a beginner, catching up, or ready to soar, this course meets them where they are. It's perfect for children who speak English at home — or those studying English as an additional or foreign language.

♣ Comfort and Flexibility

Our sessions are delivered online, from the comfort of your home, at times that work for your family. Choose **1-on-1 lessons** for complete attention, or **small-group classes (2-4 children of the same age / level)** for social learning.

Why LanguageWize – Not Just Parent-Led Reading at Home?

We know that many parents want to support their child's reading at home — but even with the best intentions, it can feel overwhelming. That's where **LanguageWize** makes all the difference:

♣ Expertise You Can Trust

Our trained educators know exactly how to guide your child through reading milestones — whether its recognising letter sounds, breaking down tricky words, or asking questions that deepen understanding.

♣ Structure Without the Struggle

No more guessing what to teach next or worrying about missing key steps. Our structured system ensures nothing is left out, and everything builds confidently on what came before.

♣ A Fresh Voice, A Calmer Home

Children often respond better to a teacher than a parent, especially when challenges arise. We make reading lessons a time for calm, encouragement, and success — not tears or resistance.

♣ Real Progress, Not Just Screen Time

With us, your child isn't just 'busy on a device' — they're learning with purpose. You'll see measurable progress and increased confidence every step of the way.

Let us handle the teaching, so you can enjoy watching your child grow.

Course Structure – What Will Your Child Learn?

- ♣ Supports children who struggle with sounding out words

4. Reading Eggspress (Ages 7–13)

- ♣ Advanced comprehension and fluency skills
- ♣ Grammar, spelling, vocabulary-building
- ♣ Reading for detail, inference, and understanding

Class Size Options: Personalised Learning in Small Groups

At LanguageWize, we believe in keeping classes small, focused, and flexible to suit every child's needs. Whether your child learns best on their own or enjoys the company of a reading buddy, we offer options that strike the perfect balance between personal attention and peer interaction.

Please keep in mind that small group classes can only be with students of the same age or level. We cannot accommodate different ages / levels in one class.

1 Student (One-on-One Tuition) – Most Personalised Option

- ♣ Ideal for children who need extra support, focus better alone, or are working at a very specific pace.
- ♣ Full teacher attention every minute of the session.
- ♣ Lessons are completely tailored to the child's level, learning style, and interests.
- ♣ Best for early beginners or children who need confidence building.

BEST FOR: Nervous readers, fast movers, children with learning differences, or those new to English.

2 Students – The Best of Both Worlds

- ♣ Carefully paired children of similar age and level.
- ♣ Encourages social interaction, turn-taking, and cooperative learning.
- ♣ Still, plenty of personal feedback from the teacher.
- ♣ Children enjoy reading games, team tasks, and light competition.

BEST FOR: *Confident learners, siblings, or children who benefit from peer support and shared focus.*

3 Students – Small and Supportive

- ♣ A small group atmosphere where children can listen, respond, and reflect with their peers.
- ♣ Less pressure than larger classrooms, more interaction than one-on-one.
- ♣ Teacher ensures each child is heard, involved, and supported.

BEST FOR: *Talkative learners who thrive on classroom-like engagement but still need structure.*

4 Students – Our Maximum Group Size

- ♣ Still small enough to offer personal attention and targeted teaching.
- ♣ Structured group work with shared reading, phonics activities, and comprehension games.
- ♣ A lively group atmosphere, perfect for confident and independent learners.

BEST FOR: *Social readers who enjoy shared learning and already have a good reading foundation.*

Why Small Groups Work

Unlike large classroom settings, our group sizes never exceed four learners. This allows our LanguageWize teachers to:

- ♣ Monitor each child's progress
- ♣ Offer real-time corrections and encouragement
- ♣ Adapt the pace of learning based on the group's needs
- ♣ Create a warm, safe space where children feel seen and heard

Whether your child learns best solo or with a friend, **LanguageWize has an option that fits your family's rhythm** – all delivered **online**, from the **comfort of your home**, at a time that works for **busy schedules**.

Please keep in mind that small group classes can only be with students of the same age or level. We cannot accommodate different ages / levels in one class.

Beyond Reading: Young Learners Reading Club

Your child will also be invited to join our **LanguageWize Young Learners Reading Club** — a fun, weekly online session where kids:

- ♣ Read books together
- ♣ Practise fluency and expression
- ♣ Discuss characters, themes, and new vocabulary
- ♣ Play comprehension and word games
- ♣ Build the joy of reading with others

The **Young Learners Reading Club** is not part of the official Reading Eggs program, but rather a **LanguageWize-exclusive initiative** designed to complement and extend your child's reading journey.

In these sessions, students engage with age-appropriate, levelled readers and participate in fun, guided discussions and activities to build comprehension, vocabulary, and a love for reading.

It's the perfect space for learners to practise what they've learned in their core lessons — while exploring new stories in a warm, social setting. ***It's a joyful way to reinforce skills in a safe and encouraging space.***
